## Child Sexual Predators: Protecting Children Online

The Internet has become the new schoolyard for child molesters seeking girls or boys to victimize. Robert Hugh Farley presents an intensive training seminar that illustrates the growing problem of sexual predators that target children via the Internet and cell phones. The seminar will identify and then discuss the methodologies and seduction techniques employed by the child molester in the various chat rooms and on the World Wide Web. Additionally, the seminar examines the topics of child erotica, child pornography, and their use by the child molester. Lastly, the seminar explores safety techniques and software that can be used to protect children.

Robert Hugh Farley MS, a 30-year veteran of the Cook County Sheriff's Police Department in Chicago, Illinois, presents this eye-opening seminar. As a highly decorated detective, unit commander and deputy United States Marshal, Detective Farley has had over 28 years experience conducting and supervising all aspects of child abuse investigations—from sexual abuse to child homicide.

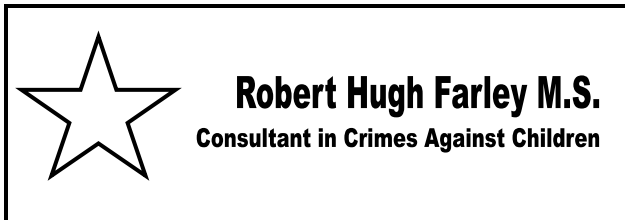

**Robert Hugh Farley**

### Specific topics addressed at the seminar:

- Historical background of child exploitation.
- The evolution of the *online* problem that began in 1997.
- The progression of child pornography from Polaroid photos, to camcorders, to digital cameras, and beyond.
- The use of the computer, cell phone text messaging and the Internet in child sexual exploitation.
- Web-cams, chat rooms, file servers, and the Internet Relay Chat (IRC).
- Web page dangers for children involving myspace, facebook, youtube, livejournal, xanga, online gaming sites, etc.
- Strategies for developing an online child friendly/child safe atmosphere.
- Awareness of fundamental computer hardware, technology and terminology.
- The *situational* child molester, the *preferential* child molester and the *online* child sexual predator.
- Talking to the online child abuse victim
- The child molester's online and cell phone seduction techniques.
- Child molester collections: child pornography, trophies, and child erotica.
- Law enforcement's reactive and proactive response to the online problem.

### About the presenter:

As an internationally recognized expert, consultant, author and instructor in child abuse investigation techniques, Detective Farley has conducted training seminars for tens of thousands of police officers, federal agents, attorneys, child protection investigators, social workers and other professionals. He has conducted hundreds of training seminars on behalf of the U.S. Department of Justice, the FBI and the National Center for Missing and Exploited Children in 49 of the 50 states. As an international consultant for INTERPOL he has also conducted training seminars in 22 different countries around the world.

## **Physical and Neglect: Child Abuse Injury Reconstruction Techniques**

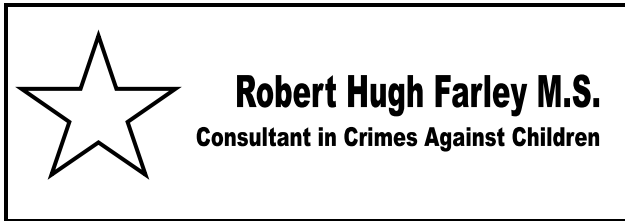

This intensive one day seminar will focus on non-accidental injuries to children and will emphasize the specific techniques that can be used by the investigator in the assessment, investigation and reconstruction of cases involving soft tissue injuries such as bruises, lacerations and burns. In addition, the various weapons utilized by the offender in child abuse situations will also be identified and discussed. The seminar will also address the circumstances and evaluation of deprived and neglected children. Lastly, the curriculum offers case illustrations that encourage hands on participation by the student.

### **Specific topics addressed at the seminar:**

- Abusive caretaker assessment
- The role of juvenile court vs. criminal court
- Soft tissue injury assessment
- Neglect child abuse injury reconstruction
- Physical child abuse dynamics
- The role of the physician and the emergency room
- Interview themes for the abusive and the non-abusive caretaker
- Child abuse weapon identification
- Bruise and Wound configurations
- Identification and the recovery of physical evidence
- Open and closed soft tissue injury reconstruction
- Soft tissue injuries from hands, belts and cords
- Reconstructing wet and dry burns
